INTOSAI WGEA 12th Steering Committee meeting

Dear Steering Committee member,

It is my pleasure to inform you that the electronic materials of the upcoming 12th Steering Committee meeting in Jaipur, India on 3 – 6 October 2012 are now available on the website of INTOSAI WGEA (www.environmental-auditing.org). Please note that as per our good practice, paper copies of the binder will not be distributed on spot.

The SC12 meeting will be a crucial milestone in finalising the 2011-2013 period's projects as well as setting goals for the next work plan and farther future activities of the WGEA. I am sure that Jaipur will prove an inspiring environment for holding strategic discussions and upholding the INTOSAI motto, "Mutual experience benefits all" when considering the contents of the documents prepared by Project Leaders.

My team and I are greatly indebted to the staff of the Office of the Comptroller and Auditor General of India, both in New Delhi and Jaipur, for their efforts in organising the event. We have been able to rely on their kind support and professional help throughout the preparatory phase.

It is deeply regretful that I will not be able to join you in Jaipur. At the same time I will confidently leave the facilitation of SC12 to the skilful hands of Mr Tõnis Saar, Secretary General of the WGEA. You can also rest assured that I will devote time to observe the progress and outcomes of the event. The impressive volume of work conducted since the WG14 meeting in Argentina last year is a proof that the WGEA network is more global and active than ever. It is in our hands to maintain this momentum.

I wish you all a productive and, most importantly, enjoyable time in Jaipur.

Sincerely yours

Mihkel Oviir
