## **Invitation to the INTOSAI WGEA Global Training Facility for International Webinars, 14th International Training Programme and International Workshop**

The International Centre for Environment Audit and Sustainable Development (iCED), Jaipur, is a premier institution established by the Supreme Audit Institution of India. iCED has been recognized as a Global Training Facility (GTF) by the INTOSAI Working Group on Environmental Auditing (WGEA) and is dedicated to strengthening global capacities in the areas of environmental audit and sustainable development.

2. As the GTF of INTOSAI WGEA, iCED has played a pivotal role in fostering international collaboration and knowledge-sharing by conducting specialized training programmes, webinars, and workshops for SAIs across the world. iCED's initiatives aim to build the capabilities of audit professionals to address complex and emerging environmental issues through innovative and practical audit approaches.

3. In continuation of this effort, iCED is pleased to announce the following international events scheduled through March 2027:
